

Opportunities for  
personal and  
team growth

## Teams at Work

Available to teams from one company and individual business owners who enjoy learning with others

## Business Development

Designed for future firm leaders to build a practice using their natural talents and strengths

## Transitions

Discovering the best path forward for those experiencing job transitions and other life transitions

## Communication

Hands-on learning, practicing active listening techniques with a goal of creating healthy communication habits

*"Working with Beth was a great experience!  
A rich discussion not only about the results but also the practical ways to put strengths at the forefront in all I do."*
